Additional Required Information

Current High School Transcript

A current high school transcript is required to complete your application. You must request an official copy of your transcript from Chi-Hi Student Services.

Essay

Please write a brief essay of fewer than 500 words telling us about yourself. Include discussion of your achievements so far, things you've done in the community, and your goals for the future. Please do so on a separate piece of paper and either type or use a word processor for your essay.

Additional Essays

Some awards require additional essays to be written. These must be typed or completed using a word processor. They should also be written on separate pages and included with your application.
